SONIC
QUEST

SONIC-GRAMS

THIS JUST IN!

Continuity Alert! Continuity Alert!

For those of you readers who are "continuity conscious," the following info is just for you. Hey, the rest of you can listen in if you want.

As you know, SONICQUEST #1 follows the events in this issue. So does the entire SONIC-QUEST mini-series before returning to SONIC #42. Even though SONIC #42 will see print before the end of the SONIC-QUEST series, you will be able to read it without affecting the storyline. And what a storyline it is,

fans! Join Sonic and Tails on their solo mission against Dr. Robotnik's new "technological monstrosity" (bet you can't say that ten times fast... oh, maybe you can)... THE DEATH EGG!!!

Anyway, just thought you'd like to know.

SEND LETTERS TO:
SONIC-GRAMS #41
C/O ARCHIE COMIC PUBLICATIONS, INC.
P.O. BOX 419
MAMARONECK, NY 10543-0419

Dear Sonic, Tails, and Knuckles,

My name is Alan Mattson. I have about thirty Sonic comics. My favorite is the SONIC VS. KNUCKLES 48-page special. I also have some questions for you: 1) In SONIC #32, you featured Mobie the Mobian bear. Could you put him in future issues? 2) How did you and Tails meet? 3) I'm really confused about who "Archimedes" is. I hope I'll find out in upcoming issues! 4) In SONIC #39, you showcased Dulcy the last dragon. Could you put her in more issues? Well, my chili dogs are getting cold! Gotta run!

Alan Mattson
Alberta, Canada

Hey, Alan. How goes it? Thanks for your kudos on our 48-page special. How did you like our last 48-pager "MECHA MADNESS"? 1) Check out SONIC #45 if you want to see more of Mobie the Cavebear. 2) That's a long story best left for another day. 3) If you read Knux's mini-series, you know who and what he is. 4) Yes, she will be back in future issues.

Dear Sonic,

My name is Anthony and I'm 14 years old. I've been reading your comics since SONIC #18 ("Wedding Bell Blues") and I still enjoy it when you beat Ro-buttnik.

Your TV show just started in Western Australia and I think it's great. I've taped every episode ever since. I have a few questions for you: 1) In SONIC #29 ("Steel Belted Sally"), Marty Joyce asked you if you and Robotnik were half-brothers and you said no. But in SONIC #27 you called Robotnik "cousin." 2) Is Archimedes Knuckles' relative? 3) Is Rotor going to have his own mini-series? 4) What issue did Bunnie get half-roboticized in? 5) Could you make an issue where some youngsters ask you and Sally about how the Freedom Fighters came together? That's all my questions for now.

Anthony O'Brien
DuCraig Perth, WA

Thanks for writing, Ant. Let's get to your answers: 1) No, Ro-Buttnik isn't my half-brother. How could you even think that me and egg-boy are related? Sure, I called him "cousin," but that was just something cool to say at the time! 2) Nope. 3) No plans yet. 4) The

#42!
On sale
Sept. '96

#43!
On sale
Oct. '96

issue in which I narrowly rescued Bunnie from being fully robotized is SONIC #3. 5) It seems you're interested about the history of the Freedom Fighters. If you want to see a glimpse of that history, check out SONIC #43.

Dear Sonic,

I'm an only child, my birthday is June 26 and my favorite color is blue! I have a few questions to ask if it won't be any trouble: 1) In the Sonic book I have, it says that you were adopted by Uncle Chuck and that you knew Robotnik as a kid. Is that true? 2) Do you think you could draw a map of where you live? 3) When are you going to make a movie? I have some great ideas! 4) How come you don't have the Saturday

morning cartoons on anymore? 5) Why don't you have a Sonic holiday special? 6) I thought you knew Sally as a kid, but in another book that I have you meet as teenagers. Is this true?

Apryl Marie Willis
Great Falls, Montana

Okay Apryl, here's the dirt:

1) No! That was just a horrible nightmare. 2) I can't... Robotnik might get a hold of it if I do! 3) When you're dealing with the big-wigs in Hollywood, you never know! 4 & 5) My cartoon is now on the USA Network six days a week, and on November 26 at 7:30PM, watch for my "X-TREMELY SONIC CHRISTMAS" also on USA. 6) Check out SONIC #43 for more info on that one.

NOTES
FROM
THE
NET

Dear Sonic Comics
and Sonic Fans:

I always knew that we Cyber-Mobians would finally get our day in the sun. It's great to know that we have a part of the comics to call our own and that Archie Comics has recognized that us Sonic fans with computers are legion. Thanks especially to Paul Castiglia for taking the idea seriously about a year ago and helping to make it a reality.

Now for a question which may have been addressed but which I don't think has ever been answered in the Sonic-Grams: On the cover of SONIC #31 there is a figure of someone drawn into the surface of one of the mountains — you can see it just above the oval advertising the Knuckles solo story. What's the significance, if any?

Daniel J. Drazen
Drazen@andres.edu

Well Dan, the image in the side of the mountain is Spaz's homage to ASTAI (the game character on Sega Saturn), his favorite at the time. In fact, how many homages to Sega characters can you find in SONIC #39?
